The arrangement having been approved by Govt in their order No. L. 5221-2 LB III-30-2 dt. 18.12.30, it is not clear if it is now open for the Dt Board to say that they are not going to hand over the building to the Mcty, merely because the latter claimed rent for the room ~~the~~ occupied by the Dt Bd Sanitary Inspector's Office. There has however been no protest, so far as this Office is aware, from the Nagadi Mc Council, against the position taken up by the Dt Bd, but the Dt Magte, Bangalore, has in his letter dt. 11.8.32 to the Registrar, High Court, suggested that the Govt may be moved to issue orders to the Dt Bd to hand over possession of the building to the Municipality. Will for consideration if any action need be taken now in the matter, without a further reference from the Dy Com^r as the position is, from the Mcl that the building has not been handed over to them in spite of Govt's G.O referred to.

22) The Coronation Hall at Hagadi is said to have been built out of public subscriptions supplemented by the funds of the Hagadi Mt council. The building was however under the management of the Taluk Board and subsequently devolved on the District Board under sec 43 of the Dt Bd Regn. In 1930, the Municipality claimed this property and on 18-10-30 the District Bd resolved to transfer the building to the Municipality. This resolution was sanctioned by Govt, presumably under the proviso to sec 42 of the Dt Bds Regn, in the G.O of 18th Dec 1930.

23) The Dt Bd have now resiled from their resolution of 18-10-30, on account of certain differences that have arisen between the Mt Cl and the Dt Bd. It is clear that the Dt Bd cannot be permitted to now go back upon the Govt order of 18-12-30. If the property is considered to have vested in the Dt Bd, then their resolution of 18-10-30 duly sanctioned by Govt on 18-12-30, effects the transfer of the property to the Mt council and they cannot therefore now prevent possession being handed over to them - If on the other hand, the Dt Bd's resolution of 18-10-30 is taken as it ought to be taken as an admission on their part that the building belongs to the Mt council of Hagadi, then there is no meaning in the

In continuation of this Office No. C.2-4871/32-33 dated the 19th November 1934, I have the honour to forward herewith letter No. C. 367/33-34 dated the 8th April 1935 addressed to you by the President, District Board, Bangalore in the matter of handing over the Coronation Hall building at Magadi to the Magadi Municipal Council and to state that the District Board has been evading to carry out the orders of Government. The President has, in paragraph 2 of his letter, referred to " monstrous " petitions protesting against the transfer of the building to the Local Municipal Council. I may state that such petitions cannot be taken too seriously having regard to the fact that they come into existence quite easily. As a matter of fact, petitions have also been addressed to this Office urging for the early transfer of the building to the Municipal Council. The other grounds mentioned in the President's letter are equally unsatisfactory.

In these circumstances, I would request Government to tell the District Board finally that the building should be handed over without further delay.

SIR,

Subject:—

In forwarding herewith a copy of Magadi Municipal President's report No.Mis.261/32-33 dated 10-5-1933 regarding the handing over of the coronation town hall building at Magadi by the District Board to the Municipal Council of Magadi, I have the honour to state that it is reported by the President, Magadi Municipal Council that the said building has not yet been handed over by the District Board to the Municipality in spite of Government ordering its transfer so long back as on 18-12-30 in their order No.L.5221-2/L.B.11-30-2 a copy of which is sent herewith for ready reference.

When the Magadi Municipality claimed the coronation building as per Government order the District Board in their meeting held on 22nd April 1931 resolved as follows in contravention of the Government order:--

"That the Magadi Municipal Council may be put in possession of the coronation hall only and not the out houses in which the Veterinary dispensary is located and that the Municipal Council may be requested not to disturb the Sanitary Inspector's office held in one of the rooms in the hall" (a copy of the District Board resolution is enclosed for ready reference) and intimated the same to the Municipal President of Magadi.

Thereupon the Municipal Council claimed a rent of Rs.3/- per month from the District Board for the occupation of the room by the Sanitary Inspector. The District Board on receipt of the

Report No.Mis.261/32-33 dated 10-5-1933 from the President, Magadi Municipal Council, to the Deputy Commissioner, Bangalore District.

There is a coronation hall in Magadi town, built out of public subscription supplemented by the funds of the Municipal Council. This building was under the management of the taluk board as the Municipality was then too poor to maintain the building in good condition. After the abolition of the taluk board the building automatically came to the charge of the District Board. When the Municipality came to know of this, they moved in the matter with the result that Government were pleased to order in their proceedings No.5221-2/L.B.111-30-2 dated 18-12-30 that the building be handed over to the management of the town Municipal Council.

In recording the above order, the District Board resolved that the Municipal Council may be put in possession of the Hall only and not the out houses in which the veterinary ~~Inspection~~ dispensary is located and further that the council be requested not to disturb the Sanitary Inspector, who was holding his office in one of the rooms in the main building. Thereupon, the Municipal Council fixed a rent of Rs.3/- for the Sanitary Inspector's office and communicated the same to the District Board. The District Board took offence at the Municipal Council claiming rent and replied that no rent can be claimed by the Municipality, as possession of the building had not yet been handed over, and further resolved that possession of the building may not be given. This resolution of the District Board is in direct contravention of the orders of Government which were passed on the motion of the District Board itself. On a further reference to the District Board, the Board pleaded inability to reconsider their decision, as six months had not elapsed since the passing of the first resolution and promised to take up the question after January 1933. A reference was made to the President of the District Board on 26-4-1933 to kindly take up the question and arrange to hand over the building but no reply has yet been received.

Memo No.C2-N.1679/30-31, dated from the Deputy Commissioner, Bangalore District, forwarding letter No.1788/30-31 dated the 14th November 1930 received from the President, District Board, Bangalore, requesting sanction to the resolution of the Board, dated the 18th October 1930 to transfer the Coronation Hall to the Magadi Town from the management of the Board to the Municipal Council, Magadi.

Order No.L-5221-2/L.B.11-30-2

Dated, Bangalore, the 18th December 1930

The President, Magadi Municipal Council in his letter to the President, District Board, Bangalore, states that the coronation hall building was raised by public subscription supplemented by that of the Municipal Council about nine years back and was under the management of the taluk board as the Municipality was then too poor to maintain it: that on the abolition of the taluk board, the building was handed over to the District Board without the knowledge of the Municipality and that this Municipality which has since grown into importance is without a suitable public building of its own and is anxious to take back the building in question under its maintenance and form a Municipal Park around it. In these circumstances the resolution of the Board to transfer the Coronation Hall building to the management of the Municipality is sanctioned.

Thus the delay in the transfer of the possession of the building is not due to the Board, but it is due to the Municipal Council having passed a resolution demanding a rent

Adverting to the correspondence ending with your letter No. C. 367/33-34, dated the 9th April 1935 received through the Deputy Commissioner, Bangalore District, regarding the question of handing over the possession of the Coronation Hall at Magadi to the Local Municipal Council, I am directed to state that it was on the proposal of the District Board as per their resolution dated the 18th October 1930 that orders of Government transferring the management of Coronation Hall Building to the Municipality were passed on the 18th December 1930 and that though over four years have passed since, the order has not been given effect to by the District Board. On the other hand the Board have, after protracted correspondence gone back on their original resolution and requested Government to reconsider their order of 18th ~~February~~ December 1930 and allow the District Board to retain the management of the building in their hands.

Sir,

Adverting to the correspondence ending with your letter No.C.367/33-34 dated the 8th April 1935 received through the Deputy Commissioner, Bangalore District, regarding the question of handing over the possession of the Coronation Hall at Magadi to the Local Municipal Council, I am directed to state that it was on the proposal of the District Board as per their resolution dated the 18th October 1930 that orders of Government transferring the management of Coronation Hall Building to the Municipality were passed on the 18th December 1930 and that though over four years have passed since, ~~the date of the Government Order~~, the order has not been given effect to by the District Board. On the other hand the Board have, after protracted correspondence ~~all along~~, gone back on their original resolution and requested Government to reconsider their order of 18-12-1930 and allow the District Board to retain the management of the building ~~under their control~~ in their hands.

2. In your letter No.C.367/33-34 dated 8-4-1935 to the Deputy Commissioner Bangalore, the title of the Municipal Council of Magadi to the building is questioned on the ground, among others,

that the Municipal Council made no contribution towards the construction of the building. The previous correspondence on the subject shows that it was on the representation of the Municipal Council to the District Board in September 1930 that the building was built by public subscriptions supplemented by Municipal contribution and that the Municipal Council wanted to take back the building under its maintenance, that the District Board agreed to the transfer of the building to the Municipality and Government sanctioned the Board's resolution. Government cannot therefore allow the District Board to reopen the question of the title of the Municipal Council to the buildings and they direct, under section 98 of the District Boards' Regulation, that their order of 18th December 1930 should be treated as final and the building handed over to the Municipal Council within one month from the date of this order.

Failing which action will be taken to enforce the order under Sec 96 (2) of the Regn

SIR,

With reference to your letter No. L. 471/L. B. 203-32-8 - dated 17th July 1935 received through the Deputy Commissioner, I have the honour to state that it is not the intention of the Board to defy, or act contrary, to the order of Government. The Board on a reconsideration of the matter at a meeting on 20th March 1935 resolved that the building has to be retained under the Board itself, and I sent up the resolution to Government in the usual course. There is no title in the Magadi Municipality for this building and its previous representations, if any, in this behalf are ill-founded. The Municipality does not seem to have paid any subscription at any time for its construction nor was it in a position to maintain or improve it at the time it was handed over by the Coronation Committee to the Taluk Board in the year 1925 under Government Order No. L. 2199/L. B. 66-25-2 dated 21st September 1925.

The Board have spent subsequently very heavy sums for repairs, improvements and upkeep of it.

The time allowed in the order for the transfer of the building to the Magadi Municipal Council is one month from the date of the order while the Board meets only once in three months as required in section 29 (i) of the District Board Regulation. I was not able to place the order before the Board at their last meeting held on 13th July 1935, as the order was received

Subject:—

With reference to Government Order No. L. 1550-2 L. B. 203-32-1B dated the 26th August 1935, asking me under Section 96 (2) of the Mysore District Boards Regulation to take charge of the Coronation Hall building at Magadi at once and hand it over to the Magadi Municipality, I have the honour to state that I fixed Friday the 30th August 1935 i.e., today, for proceeding to Magadi and taking over charge of the building and hand it over to the Municipality and intimated the President of the District Board and the President of the Municipal Council, Magadi accordingly on the 28th of August 1935. In the mean time, on the very day I received the Government Order of the 26th i.e., on the 27th August, I received also a letter No. 367/33-34 dated the 27th August 1935 from the President, District Board addressed to you requesting reconsideration of the orders of the Government conveyed in your letter of the 17th July 1935. I have forwarded a copy of it already to you, on the same day. The Vice President of the District Board Mr. G. C. Veerappa came to see me on the afternoon of the 28th immediately on receipt of my letter. But as I was absent, he saw me again yesterday morning with the file and explained that the District Board's resolution on which the order of 1930 was passed was based on a misunderstanding of the facts and that the District Board had approached the Government for a reconsideration of the order and that I may defer action. I pointed out to him that the District

With reference to your letter No. C.2-4831/32-33 dated the 28th August 1935 intimating that you propose to take charge of the Coronation Hall Building at Magadi on the morning of the 30th instant and hand it over to the Magadi Municipality as ordered by Government in their Order of the 26th August 1935, I have the honour to state that the Government Order in question appears to have been passed before the receipt of the recent communication made to Government from this Office on the 27th August 1935 through you. In accordance with the above Government communication, the Sanitary Inspector of Magadi Circle has been directed to hand over thepossession of the Coronation Hall building to the President of the Magadi Municipal Council pending reconsideration by Government of their previous orders on the recent representation of the Board bringing to its notice that there is no title for the building in the Magadi Municipality and representations if any made in this respect previously, are ill-founded, in view of the Government order dated 21st September 1925 and the connected correspondence thereon, and without prejudice to the rights of the District Board to the building in question. A copy of the order issued to the Sanitary Inspector is also herein enclosed for information.
